## SWE X SHPE X BARCLAYS PANEL

Join us for an exciting collaboration between the Society of Women Engineers (SWE) and the Society of Hispanic Professional Engineers (SHPE) as we host a dynamic company information session and panel discussion with Barclays.

**Date:** February 28th, 2024  
**Time:** 2:30 - 4 PM  
**Location:** Culimore Lecture Hall 1

This event offers a unique opportunity to learn about career prospects, internships, and the company culture at Barclays, a global financial services leader. Engage with representatives from Barclays as they share insights into their innovative projects, diversity initiatives, and the importance of fostering inclusivity in the workplace.

Whether you're a seasoned professional or a student exploring future career paths, this event promises to be informative and inspiring. Don't miss out on this chance to connect with industry professionals, expand your network, and gain valuable insights into finance and technology.

Refreshments will be provided, and there will be opportunities for networking following the panel discussion. We look forward to seeing you there!

## SWE RECAP

### ♥ WE HAVE CHEMISTRY GALA ♥

The We Have Chemistry Gala, a Valentine's themed event, was hosted by SWE, AIChE, and ACS. The gala, held at the Campus Center Atrium, attracted a fantastic turnout. The venue was adorned with valentine themed decorations. Attendees were greeted with mocktails, pizza, and desserts. The event's festivities kicked off with bingo, encouraging students to interact with one another, with winners earning gift bags. Following bingo, chemistry-themed jeopardy was played. At the end of the night was the

raffle,

where lucky winners walked away with prizes. The gala not only celebrated the spirit of Valentine's Day but also provided an opportunity for students to come together and forge connections, and make new friends. This collaborative effort brought a fusion of science and romance and fostered a spirit of unity and collaboration, even on Valentine's Day.
