WOMEN'S APPRECIATION PANEL

In celebration of the invaluable contributions of women in STEM fields, we are hosting a panel discussion featuring accomplished women leaders who have made significant strides in their respective careers. This event is an opportunity for us to come together to network, share experiences, and gain invaluable insights from women who have paved the way in the world of engineering and technology.

Date: Mar 21, 2024

Time: 7:30 - 10 PM

Location: Campus Center Atrium

Join us as we celebrate the achievements of women in STEM and engage in enriching conversations on topics such as career development, overcoming challenges, and the importance of diversity and inclusion in the workplace. Whether you're a

student just starting your journey in STEM or a seasoned professional, this event promises to be both empowering and enlightening.

Refreshments will be served, and there will be ample opportunities for networking following the panel discussion. We encourage all members to attend and participate in this celebration of women's achievements in STEM.

SWE RECAP

+ EWB NETWORKING NIGHT +

The Engineers Without Borders' Networking Night was a resounding success, drawing a diverse array of engineering students eager to connect with representatives from various engineering companies. The event provided a valuable platform for students to gain insights into the current state of the workforce and glean valuable advice for their burgeoning careers. Company representatives shared invaluable perspectives on industry trends, skillsets in demand, and the importance of adaptability in the rapidly evolving field of engineering. Students were particularly enthralled by the firsthand accounts of challenges and triumphs shared by professionals, which offered a glimpse into the realities of life

post-graduation.

Amidst the enriching discussions, the atmosphere was further elevated by the provision of delectable refreshments, fostering an environment conducive to networking and camaraderie. The turnout exceeded expectations, showcasing the keen interest and enthusiasm of the engineering community in seizing opportunities for professional development and growth. As students mingled with industry professionals and fellow peers, exchanging ideas and forging connections, it became evident that the Networking Night had not only served as a platform for knowledge exchange but also as a catalyst for fostering meaningful relationships that will undoubtedly shape the future trajectories of aspiring engineers.

SWE NEWS

🐅 PRINCETON PLASMA PHYSICS LABORATORY OPPORTUNITY 🐅

📣 Attention SWE Members! 📣

Are you looking for a summer internship opportunity? We have an exciting opportunity for you!

PPPL is seeking an undergraduate student in engineering, energy management, business, data science, or a related field to join them as an Energy Management Intern at Princeton Plasma Physics Laboratory (PPPL). If you have an interest in energy, sustainability, and/or data analysis, this could be the perfect fit for you!

Please take a moment to check out the job posting on their website

[APPLICATION LINK](#)

Feel free to share this opportunity with anyone who might be interested. We encourage all eligible candidates to apply via the provided link.

🕒 E-BOARD OFFICE HOURS 🕒

Campus Center Basement B13

President Sanya – Mondays 2:30 pm - 4:00 PM
Vice President Olivia - Thursday 1-2:30 pm
Secretary Saiesha - Friday 2:30 - 4:00 pm
Treasurer Ananya - Wednesday 10-11:30 AM
PR Coordinator Soumya - Tuesday 1-2:30 pm
PR Coordinator Gulmina - Tuesday - 11:30 - 1:00 pm
Fundraising Chair Riya - Thursday 11:30 AM - 1 PM
External Event Coordinator Armeet- Monday 11:30-1:00 pm
Academic Chair Cassandra- Friday 4p-6p
Membership Chair Julia - Wednesday 11:30-1 pm
