As the end of the year approaches, we're excited to invite you to join us for a special celebration - the SWE Gala! It's time to commemorate the fantastic collaborations and partnerships that have enriched our journey throughout the semester.

**Date:** April 24, 2024

**Time:** 7- 10 PM

**Location:** Campus Center Ballroom B

#### **Highlights of the evening include:**

**Keynote Speaker:** Prepare to be inspired as our distinguished keynote speaker shares insights and experiences from their journey in engineering and beyond.

**Panel Discussions:** Join industry experts and thought leaders in lively panel discussions to explore the latest trends, challenges, and opportunities in engineering.

**Delectable Treats:** Indulge your taste buds with various mouthwatering food and drinks. And, of course, no celebration is complete without CAKE! Join us in savoring sweet moments together.

**Networking:** Connect with fellow engineers, professionals, and representatives from the companies we've collaborated with throughout the semester. Forge new connections and strengthen existing ones as we celebrate our shared successes.

Don't miss out on this memorable evening of reflection, appreciation, and camaraderie. RSVP today to secure your spot at the SWE Gala. Let's toast another year of innovation, collaboration, and progress in the engineering world!

We look forward to celebrating with you.

## SWE RECAP

### LADIES LINK UP

The Ladies Link Up event was a vibrant gathering to empower women through networking and shared experiences. Attendees participated in dynamic speed networking sessions, fostering connections and potential collaborations in a fast-paced environment. Delicious refreshments were served, creating a relaxed atmosphere where attendees could engage in meaningful conversations over a shared meal.

Distinguished speakers graced the event with inspiring speeches. A

respected professor highlighted the importance of forming meaningful relationships, while a representative from the Department of State encouraged attendees to break the ice and connect with one another. The First Lady's presence added prestige to the event, as she emphasized the significance of women supporting each other and building strong networks for collective success.

Overall, the Ladies Link Up event provided a platform for women to network, share experiences, and empower one another. Attendees left feeling inspired and motivated to continue fostering meaningful connections beyond the event, furthering their personal and professional growth in the process.

### + OPEN HOUSE +

The NJIT Honors Open House was a resounding success, attracting many prospective honors students eager to learn more about the program. The event featured engaging presentations highlighting the benefits and opportunities available to participants, attracting a diverse and enthusiastic crowd.

The strong representation of the Society of Women Engineers (SWE) at the event was of particular significance. The impressive turnout of SWE members underscored the organization's commitment to supporting and promoting the honors program, further emphasizing its importance to the university community.

The NJIT Honors Open House effectively showcased the program's offerings and attracted many interested students. The event's success reflects the university's dedication to providing valuable non-academic opportunities and fostering a supportive community for students.
