#### 🌟 SWE GALA 🌟

As the end of the year approaches, we're excited to invite you to a special celebration—the SWE Gala! It's time to commemorate the fantastic collaborations and partnerships that have enriched our journey throughout the semester.

**Date:** April 25, 2024

**Time:** 7- 10 PM

**Location:** Campus Center Ballroom B

**Highlights of the evening include:**

**Keynote Speaker:** Prepare to be inspired as our distinguished keynote speaker shares insights and experiences from their journey in engineering and beyond.

**Panel Discussions:** Join industry experts and thought leaders in lively panel discussions to explore the latest trends, challenges, and opportunities in engineering.

**Delectable Treats:** Indulge your taste buds with various mouthwatering food and drinks. And, of course, no celebration is complete without CAKE! Join us in savoring sweet moments together.

**Networking:** Connect with fellow engineers, professionals, and representatives from the companies we've collaborated with throughout the semester. Forge new connections and strengthen existing ones as we celebrate our shared successes.

Don't miss out on this memorable evening of reflection, appreciation, and camaraderie. RSVP today to secure your spot at the SWE Gala. Let's toast another year of innovation, collaboration, and progress in the engineering world!

## SWE RECAP

### 🦅 SWE X SHPE X BARCLAYS 🦅

We are thrilled to share with you the exciting recap of the recent Barclays Campus Visit at NJIT, which was organized in collaboration with SWE, SHPE, and CDS. The event was an incredible opportunity for students to delve into the remarkable work and opportunities offered by Barclays.

The highlight of the event was the presence of esteemed guest speakers, including a senior recruiter from Barclays and three accomplished NJIT alumni. Together, they provided invaluable insights into the diverse career paths and experiences within Barclays, offering students a glimpse into the plethora of opportunities available.

The alumni speakers shared their personal journeys, detailing how their time at NJIT equipped them with the skills and knowledge necessary to secure positions at Barclays. Their stories were not only inspiring but also served as a testament to the exceptional education and resources provided by NJIT.

Throughout the event, attendees had the chance to engage in meaningful conversations, ask questions, and network with professionals from Barclays. It was truly an enriching experience for everyone involved, fostering connections and opening doors to potential future collaborations and opportunities.

We extend our sincerest gratitude to Barclays for their partnership and commitment to supporting the development of future talent. We also thank our guest speakers for generously sharing their time and expertise with the NJIT community

### 👑 SHLA QUINCEANERA 👑

The students dazzled in their finest quinceañera attire as they immersed themselves in a vibrant celebration of Latin and Hispanic culture.

A live band, composed of talented NJIT students, filled the air with lively rhythms, setting the perfect backdrop for the festivities.

From savory dishes to delectable desserts, attendees indulged in an array of authentic Hispanic cuisine, savoring each bite as they learned about the

significance of SHLA. Throughout the event, participants engaged in cultural activities and danced the night away, fostering a sense of unity and appreciation for the rich traditions of the Hispanic community.

## SWE NEWS

### ⚡ SCHNEIDER ELECTRIC ⚡

Schneider NJ branch has an incredible opportunity available for a Systems Application Engineer starting in June.

#### About the Role:

- As a Systems Application Engineer, you'll be part of a dynamic development program.
- Get ready for an immersive experience, including onboarding weeks in our R&D Hub in Andover, MA, a Development Program onboarding week in Nashville, and a 2-week technical training in Dallas.
- This role offers hands-on experience in system applications and a chance to work with cutting-edge technology.

#### Requirements:

- Recent graduate with a degree in Engineering or related field.
- Passion for technology and innovation.
- Strong communication and problem-solving skills.
